I'm absolutely delighted that we have won The Best International Real Estate Consultancy Award. This award validates over 5 years of extremely hard work, managing nearly USD 1 billion worth of property investments on behalf of our clients. I think what people have recognized in giving us this award is that we provide a fully integrated service, assisting our clients through every aspect of their investment from market research and providing advice on mortgage finance to lettings and management and assisting clients in the eventual exit from their investment. This is what consultancy is all about - managing the client through the entire lifecycle of the process. We continue to strive to deliver an high caliber consultancy service for our clients and hope that this is just the first of many awards to come.

對於能獲得「最佳海外物業顧問大獎」我們感到非常榮幸，這除了認定IP Global過去五年來的努力之外，亦肯定了我們所提供的綜合性服務是成功的。在這段期間，我們為客戶管理近10億美元房地產投資值的項目，包括提供全面的市場投資研究，樓宇按揭，租賃等事業建議，幫助客戶作出明智的決策。這也正我們作為投資顧問公司所提供的服務範疇，同時我們相信今後會得到更多大家的肯定。
